

Arising

- a vision and heartbeat

Arising...emerge, become apparent, come into being, originate, rise, get up, emerge, spring, appear...

Arise, shine, for your light has come, and the glory of the LORD rises upon you." (Isaiah 60:1)

I see a host of angels surrounding all God's creatives as they gather and Arise! It's a sight to behold - wings of many colours beating together like a flock of birds that suddenly take flight and all you can see is a flurry of feather and all you hear is the sound of beating wings. It is an army in waiting, waiting for God's creatives to arise and shine for the glory of the Lord truly shines upon them. He is calling His artists to make visible His words for His people. His healing for people. Art that unlocks. Art that heals. Art that seals in His Seal. Art that restores, builds, encourages and expands people's horizons taking them beyond their earthly imaginings into the expanses of God's visions for each of their lives.

Art that NEEDS to be seen, to horde it away would be sinful. These are words that need to be on people's walls, in their houses, in their churches, written in their hearts. Words that keep speaking... uttering the prophetic continually into their lives as they gaze and revelation unfolds .

Arise MY beautiful One, Arise!

Making a difference...

My heart is to see artists GROW in their confidence and anointing... I see an army dressed in light weight battle armour RUNNING TOGETHER in rhythm united, and encouraging one another higher and FURTHER and deeper and FULLER and broader....more of God's creativity being seen and made ...making GOD'S VOICE VISIBLE and impacting people's lives....so that GOD'S HOUSE is BUILT in fellow believers, and so that the SPIRITUALLY CURIOUS are encouraged, HEALED and built up.
